Vesper This is the real James Bond Dry Martini. A Vesper is 3 parts Gin, one part vodka and a dash of vermouth. This is served shaken with a twist. But if you would prefer a standard Dry Martini or a Vodka Martini please specify when ordering.

Mojito-tini This is our Bar Manager's take on the classic Mojito. Made with gold rum, mint, lime and sugar. Shaken with ice and strained into a sugar rimmed glass. So tasty! But if you would prefer the longer original with light Rum please specify when ordering.

Cosmopolitan This is one of those cocktails with recipes that differ everywhere you go. A contemporary classic with the core ingredients being vodka, Triple Sec and cranberry. Lime adds a nice citrus tang to a well balanced yet strong cocktail. Very Sex in the City.

Brandy Alexander A classic creamy brandy cocktail. A beautiful blend of cream, cognac and dark chocolate liqueur produces this sophisticated original baileys.

Espresso-tini Coffee vodka. For those that want to stay up all night. A sleek taste of sweet coffee.

Bramble A contemporary classic created in the mid 80's at Fred's Club in Soho. Made with Bombay Sapphire and lemon juice, a little blackberry makes this a perfect balance of sweet and sour with berries.

Champagne Cocktail Cognac and sugar topped with Champagne. Strong and smooth. 9.60

Pale Rider A rollercoaster of flavours. Vodka, Archers, blackcurrant, cranberry and pineapple make a very easy drinking summer punch style cocktail.

Nutty Russian Our take on the Black Russian but with a little hint of nuttiness. With vodka, Kahlua and Frangelico.

Dark n Stormy A classic spicy Bermuda drink made with a refreshing blend of dark rum, lime and ginger beer.

Mango Margarita A frozen variation of the classic Margarita. The mango calms the Tequila to make an alcoholic smoothie. If you would prefer an original Margarita please specify when ordering.

Raspberry Daiquiri A classic frozen rum cocktail. Using lots of raspberries blended with light rum and a little lime and sugar.

Honey Bear Honey Vodka, ginger beer, fresh lime, mint & Angostura bitters. A mule with honey and mint.

Tuaca Crumble Tuaca, apple juice, lemon and a dusting of cinnamon. Apple crumble in a glass.

Jack's Manhattan A classic using Jack Daniel's. With a little sweet vermouth stirred with ice and topped with a cherry this is for the whiskey drinkers among us.

Greenbank Pimms Bombay Sapphire with a little Martini Rosso, topped with lemonade, with lots of fruit and mint, makes this Pimms a cut above the norm.

Tangerine Dream Cointreau, orange topped with Champagne. Sparkling tangerine. 9.60
